

Curtin University

Interview Invitation for Sarcoma Patients and their Carers

You are invited to take part in a research project involving:

Patients' and their carers' experiences of receiving a sarcoma diagnosis

Your participation will involve:

- A face-to-face interview (30-45mins) at a time that is convenient for you.

Aim of this research is to:

- Explore patients' experiences of receiving a sarcoma diagnosis.
- Explore the support needs of people who care for a friend/ a family member who has sarcoma.

Ethics approval has been granted by:

- Curtin University Human Research Ethics Committee (HRE2018-0246)
- Sir Charles Gardiner Hospital Ethics Committee (HRE2018-0018)

Eligibility:

- Over the age of 18 years
- Able to communicate in English
- Either a patient who has received a sarcoma diagnosis or someone who has cared for someone with sarcoma in the last 5 years.

For more information or to participate, please contact: **Georgia Halkett**
